## Objective

As a passionate and dedicated web developer with a strong foundation in front-end technologies, I am eager to leverage my expertise in React, JavaScript, and responsive design to contribute to innovative projects. With a proven track record of developing dynamic and user-friendly web applications, I aim to join a forward-thinking team where I can further hone my skills, collaborate on cutting-edge solutions, and drive impactful results. My commitment to continuous learning and problem-solving, coupled with hands-on experience in competitive programming, positions me to excel in a React Developer role and make meaningful contributions to the success of the organization.

## Competitive Programming & Problem Solving

Solved over 500 problems across LeetCode, **Codeforces (Max Rating: 982)**, and **CodeChef (Max Rating: 1279)**, consistently improving algorithmic problem-solving skills.
